Future of Machine Learning Symposium

Host: Christoph Lampert and Francesco Locatello

Join us at the Institute of Science and Technology Austria (ISTA) for an exciting symposium on "The Future of Machine Learning" on July 19, 2024, two before days ICML 2024, which takes place in Vienna as well! The event brings together top minds from academia and industry to explore the latest progress in the field as well as emerging trends. Be part of this discussion, meet people, and exchange idea in a beautiful environment rather than in a crowded convention center. Speakers: Fei Sha, Google Katerina Fragkiadaki, Carnegie Mellon University Masashi Sugiyama, RIKEN / The University of Tokyo Thomas Kipf, Google Deep Mind Stefanie Jegelka, TUM / MIT Michael Bronstein, Oxford

Friday, July 19, 2024 09:00am - 06:00pm
