

Conference

Cryo-EM symposium

Host:

The Institute of Science and Technology (IST) Austria will host a one-day symposium to inaugurate our recent investments in cryo-EM infrastructure, establishing Austria's largest cryo-EM facility. The aim of the symposium is to highlight exciting research involving cryo-EM, including the latest developments in the field as well as their application to biological questions. Registration is free and you can use this link to register. **SPEAKERS** Jan Pieter Abrahams – Biozentrum, Universität Basel, Switzerland Peter Brzezinski – Stockholm University, Sweden Gaia Pigo – Max Planck Institute of Molecular Cell Biology and Genetics (MPI-CBG) Jürgen Plitzko – Max Planck Institute of Biochemistry, Martinsried, Germany Henning Stahlberg – Biozentrum, Universität Basel, Switzerland Sharon Wolf – Weizmann Institute of Science, Israel Peijun Zhang – Director of eBIC, Diamond Light Source, University of Oxford, UK

Friday, October 18, 2019 08:00am - 05:00pm

Raiffeisen Lecture Hall, Central Building
