

Seminar/Talk

Career conversation with Dr. Sonika Johri, IonQ

Sonika Johri

IonQ

Host: IST Austria Career Services

In recent years quantum computing has become a true industry with job titles like quantum engineer or quantum algorithms developer. What does this mean in terms of career opportunities? Dr. Sonika Johri is a Senior Quantum Applications Research Scientist at IonQ Inc. In this conversation we will talk about what it is like being a scientist in the quantum computing industry, her career path, skills and qualifications you need, and the job prospects for physicists and other quantitative scientists in this extremely exciting and rapidly developing field.

Tuesday, June 29, 2021 05:00pm - 06:00pm
