# Women in Science

**portraittheater**

Host: EDI office

In recognition of the International Day of Women and Girls in Science, we are organizing a special event on ISTA campus. The program will feature a performance of “Curie\_Meitner\_Lamarr\_indivisible” by portraittheater, a compelling stage production that brings to life the stories and scientific achievements of Maria Skodowska-Curie, Lise Meitner, and Hedy Lamarr. The play will be followed by a panel discussion with ISTA professors, exploring the enduring impact of these trailblazing scientists and the future of women in STEM. A reception will conclude the evening.

**Tuesday, February 10, 2026 04:30pm - 06:45pm**
