Neuroscience Student Symposium

Host:

Welcome to the first annual neuroscience student symposium! We are looking forward to hearing what our fellow students have been working on! We are also excited to host two external speakers: Rosa Cossart (Institute of Mediterranean Neurobiology – INMED) and Felix Deku (University of Oregon). Please RSVP below so that we can make sure to have enough food and drinks for everyone! The event is also open to anyone outside the neuroscience community. We hope to see you all there!
